

EXCURSION TOUR TO TAJMAHAL

JAIPUR-AGRA-Jaipur (Excursion Tour)

(260 Kms/4-5 Hrs)

Morning 7AM pick-up from you hotel and drive to Agra.

After reaching Agra visit the **Taj Mahal** - synonymous beauty, love and grandeur. This white marble mausoleum, built on the banks of river Yamuna, epitomizes Shah Jahan's love for his wife, Mumtaz Mahal. Designed by a local architect, Ustad Ahmad Lahori, the entire complex, with gardens, gateway structures, and mosque, was completed in 1643. More than three centuries later, the monument retains its romantic aura. Set like a jewel within gardens whose four-fold design echoes the Islamic idea of paradise, its millions of visitors marvel at the play of light on its marble dome which seems to turn from rose to pearl with the passage of the sun. There is much to see – the exquisite calligraphy, the lyrical floral motifs of the pietra dura decorations which form a mosaic of colour; and the fountains and canals of the gardens which reflect the monument in a series of ethereal images **(TAJ MAHAL CLOSED ON FRIDAYS)**

Agra Fort

later visit **Agra Fort**- Built principally as a military establishment by Akbar in 1565, the red sandstone Agra fort was partially converted into a palace during Shah Jahan's time. Though the principal structure was built by Akbar, many more additions were made by his grandsons. This massive fort is 2.5 kms long and is considered as the predecessor of the Delhi Red fort. There is only one entry point in the fort. The building and structures inside the fort gives an impression of a city within the city. Many of the building inside the fort is now closed for the public.

Post visit to Agra Fort drive back to Jaipur.
